## World's Oceans

- The ocean current that surrounds Antarctica and forms the Southern Ocean is called the
  - Atlantic Coast Conference
  - Atlantic Circular Current
  - Antarctic Circumpolar Current
  - Southern Coast Current
- True or False: The levels of salt in the Southern Ocean are higher than the levels of salt found in the other oceans of the world. \_\_\_\_\_
- The border of the Southern Ocean is defined by the
  - 60° southern latitude line
  - prime meridian
  - equator
  - 90° north longitude line
- The current that creates the Southern Ocean pulls water from the following ocean(s):
  - Atlantic
  - Pacific
  - Arctic
  - Indian
  - A, B, & C

- Find and circle the names of all five of the world's oceans hidden in the word search to the right.

## World's Oceans-Answer Key

1. The ocean current that surrounds Antarctica and forms the Southern Ocean is called the
  - A. Atlantic Coast Conference
  - B. Atlantic Circular Current
  - C. Antarctic Circumpolar Current**
  - D. Southern Coast Current
  
2. True or False: The levels of salt in the Southern Ocean are higher than the levels of salt found in the other oceans of the world. **False-the levels of salt are lower**
  
3. The border of the Southern Ocean is defined by the
  - A. 60° southern latitude line**
  - B. prime meridian
  - C. equator
  - D. 90° north longitude line
  
4. The current that creates the Southern Ocean pulls water from the following ocean(s):
  - A. Atlantic
  - B. Pacific
  - C. Arctic
  - D. Indian
  - E. A, B, & C**

5. Find and circle the names of all five of the world's oceans hidden in the word search to the right.

## Terms of Use – World's Oceans

Thank you for your purchase! By purchasing this resource, you are agreeing that the contents are the property of **John T. Stanton** at **Homeschool Science Club** and licensed to you only for classroom and/or personal use as a single user. I retain the copyright and reserve all rights to this product.

### YOU MAY

- ❖ Use free and purchased items for your own classroom students or your own personal use.
- ❖ Reference this product in blog posts, at seminars, professional development, workshops, or other such venues, ONLY if both credit is given to myself as the author, and a link back to my TpT store is included in the presentation.
- ❖ Distribute copies of the free items only to other teachers PROVIDED there is credit given to OurDailyMath and a link back to my TPT store.

### YOU MAY NOT

- ❖ Claim this work as your own, alter the files in any way, or remove copyright indication or watermarks.
- ❖ Sell the files or combine them into another unit for sale or for free.
- ❖ Post this document for sale or for free elsewhere on the internet (this includes Google Doc links on blogs).
- ❖ Make copies of purchased items to share with others. This is strictly forbidden and is a violation of the Terms of Use and copyright law.
- ❖ Use this product if provided by another person who violates any of the above.

Thank you for abiding by universally accepted codes of professional ethics while using this product. If you encounter an issue with your file, notice an error, or are in any way experiencing a problem, please contact me and I will be more than happy to help sort it out.

You can message me at [homeschoolscienceclub.com](https://www.homeschoolscienceclub.com)

Thanks!!

Thank You!!

I hope you and your learner enjoys this activity!
