3. Put the above objects in order from least amount of air resistance to most air resistance it would feel falling from the sky.

(Least) Needle

Apple

(Most) Rhinoceros

Terms of Use – Air Resistance

Thank you for your purchase! By purchasing this resource, you are agreeing that the contents are the property of **John T. Stanton** at **Homeschool Science Club** and licensed to you only for classroom and/or personal use as a single user. I retain the copyright and reserve all rights to this product.

YOU MAY

- ❖ Use free and purchased items for your own classroom students or your own personal use.
- ❖ Reference this product in blog posts, at seminars, professional development, workshops, or other such venues, ONLY if both credit is given to myself as the author, and a link back to my TpT store is included in the presentation.
- ❖ Distribute copies of the free items only to other teachers PROVIDED there is credit given to OurDailyMath and a link back to my TPT store.

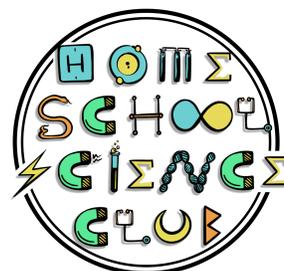

YOU MAY NOT

- ❖ Claim this work as your own, alter the files in any way, or remove copyright indication or watermarks.
- ❖ Sell the files or combine them into another unit for sale or for free.
- ❖ Post this document for sale or for free elsewhere on the internet (this includes Google Doc links on blogs).
- ❖ Make copies of purchased items to share with others. This is strictly forbidden and is a violation of the Terms of Use and copyright law.
- ❖ Use this product if provided by another person who violates any of the above.

Thank you for abiding by universally accepted codes of professional ethics while using this product. If you encounter an issue with your file, notice an error, or are in any way experiencing a problem, please contact me and I will be more than happy to help sort it out.

You can message me at homeschoolscienceclub.com

Thanks!!

Thank You!!

I hope you and your learner enjoys this activity!
